Beth Snow, PhD, MBA, CE  
Workshop Facilitator

Beth is the Head of Program Evaluation at the Centre for Health Evaluation and Outcome Sciences (CHÉOS), an Adjunct Professor at Simon Fraser University, and is the president of the Canadian Evaluation Society 's BC Chapter.

## BEYOND THE BASICS: SURVEY SKILLS +

Surveys are commonly used in evaluations but most introductory evaluation courses aren't able to cover the full range of knowledge and skills needed to plan, conduct, and analyze and report on the findings from surveys. Join us for this full day hands-on workshop and walk away with concrete ideas for your next survey.
